

BRENTWOOD TRAMPOLINE CLUB

Competition Entry Form

Please use this form for entering any Regional, Club or Open trampoline competition. Different arrangements are in place for National competitions.

Although the form can be printed and filled in by hand it is preferred that it should be completed online, using the drop down options where they are provided, and then printed. Once printed it should be placed in an envelope together with a cheque for the entry fees (see the online notification) with the name of the event and entrant(s) on the front and either given to your coach or a committee member by the closing date (again see the online notification).
